Cat Party Sandwiches (Halloween)

Have children make this snack for a class Halloween party.

You need:

- Slices of bread
- 7-ounce or 9-ounce paper cups
- plastic knife
- small paper plates or napkins
- peanut butter or cream cheese
- raisins
- pretzels

Directions:

1. Show children how to cut a circle from a slice of bread by placing a seven- or nine-ounce paper cup facedown and cutting around it with a plastic knife. Using the remaining bread, help children form two triangles for the cat's ears.
2. Have children arrange their cat faces on small paper plates or napkins.
3. Let children spread peanut butter or cream cheese over the bread and then make cat faces using raisins for eyes and noses, pretzels for whiskers, and so on.
4. Encourage children to show others their cat faces before snacking on the sandwiches.
